Please join the faculty of the
Division of Physical Therapy
Department of Rehabilitation Medicine

for an evening of
Research Poster Presentations

Thursday, December 1, 5:00-7:00 pm
Health Sciences Lobby

Please join the Division of Physical Therapy Faculty to learn about our current research projects during an interactive poster presentation.

Refreshments will be served.

Learning Objectives:
1. Describe current research being conducted by the University of Washington Division of Physical Therapy faculty and students.
2. Discuss the implications of current research on physical therapy education and practice.

Up to 2.0 contact hours of continuing education available.
